Name, first name, title: _____

Mailing adress: _____

City, country: _____

Mobile telephone: _____

Landline: _____

E-Mail: _____

Institution/Organisation: _____

Deadline: 31th july 2024

Criteria for candidates to be nominated for the Global Award AACII 2025:

In the sense of **best concept, best Impact** and **best performance** the most excellent paper will be...

- A)** Contributions inspired junior scientists and prepared for thrilling jobs in the aviation and aerospace sector.

- B)** Interested parties or groups expressed their appreciation that they now understand interrelations which were not clear for them before

- C)** The contribution supports the credo:
„To protect the environment on earth,
science from aerospace is necessary.“

The work is described in an extra paper as annex. This document should be between two and four pages.

The jury of the AACII Global Award 2025 selects the candidates for nomination. Members of this body are prominent representatives of economy, science and research with relevant competence and experience.

Categories:

1. Research in aviation and aerospace
2. Surveillance (for instance weather, geology, archeology)
3. Telecommunication and telemetry
4. Navigation
5. Satellite technology
6. Transportation and power units
7. Life in space and learning effects for life on earth
8. Zero gravity and synergies for applications on earth
9. Robots and artificial intelligence
10. Informatics in aviation and aerospace

The following papers are in the annex:

Personal data sheet with photo, passport

The work submitted

Letter of motivation to deal with the subject

List of publications

Application form signed

Deadline: 31th july 2024

Transmittal of the documents means that the modalities are accepted.
Changes by the jury of the AACII are possible.

Legal process is excluded. Misrepresentations will result in exclusion from the competition or dispossession of the award. The candidate hereby agrees with all kinds of publications, photos or videos which might be produced about him/her and his/her work.
